ORGANIZATIONS :

Know All Men by These Presents That if:

You have been apprehended while purloining fowls; U. S. agents discovered you at your distillery; it is alleged that you were seen with another's sweetheart; your spouse desires to absent you permanently from her company; your creditors are clamoring for an apportionment of your debts; your paternal ancestor doubts your word; his jilting you has necessitated heart balm; you can't arrange your own bail; you desire a nice inexpensive "blowing-up";

Being Engineers, you have utilized too much silicon in concrete; you have diluted gasoline with an excess of water; you have substituted wood for steel;

And you have not—as we have by intensive study—prepared your retentive minds to defend and exonerate yourself of all blame in the acts aforementioned and multitudes of un-mentionables, WE are counsellors at your service.

Whereunto we have set our hands this day of 1939, and here we, the undersigned, present our lovely sweetheart—

Since the Federal Institute was founded on June 4, 1934, more than 500 graduates of the Tyler High School and Tyler Junior College have enrolled with us. We are not only proud of the fact that our own home town young people prefer Federal, but we are glad that we are also able to attract other fine young people, with excellent scholarship and high morals, to our school. We congratulate the class of 1939 and wish each member every measure of success possible.
